10.17.14 – Halloween may mean trick or treating for the kids, but as adults we also like to get into the holiday spirit (or spirits, as the case may be). If you are thinking of hosting a fun cocktail party for your friends, how do you really blow them away? With delicious treats and cocktails, of course. Anyone can serve wine, or a simple vodka soda, but these fun and festive drinks will leave a lasting impression on your guests.

The liqueurs below easily pair with a few other ingredients to give your guests a great treat this Halloween.

Witches Martini

2 oz cachaça (Cuca Fresca Prata used here)

2.5 oz fresh apple cider

.5 oz elderflower liqueur

.5 oz fresh lime juice

Combine all ingredients in an ice-filled shaker and shake well. Strain into a chilled martini glass and garnish with a cinnamon stick.

Jack-O-Potion

This amazing cocktail is simple, but definitely a crowd pleaser. It is deliciously light and also very aromatic. Light the tip of the rosemary garnish for extra flare!

2 oz cachaça

2 oz cranberry juice

1 oz fresh lime juice

1 oz simple syrup (1 part sugar, 1 part water)

Combine all ingredients in an ice-filled shaker. Shake well and strain into a coupe glass. Garnish with a piece of fresh rosemary with a fresh cranberry at the end.
