TV's New Leading Man

Willie Robertson spills on his *Dynasty*

WILLIE ROBERTSON AND HIS family's off-kilter banter have helped turn their duck-hunting business into a hit on A&E's *Duck Dynasty* (Wednesdays, 10 P.M.). Still, the Louisiana native, 40, says he's only *slightly* shocked that their exploits garner 8 million viewers a week. "I knew we were going to be successful," he tells *Us*. "Our secret is we don't take ourselves seriously."

Hairy situation Fans may be baffled by the men's signature beards, but Willie's wife, **Korie**, 39, can't get enough. "At first I couldn't figure out how to kiss him," she says. "But now I love it!" **ASHER FOGLE**

The star calls Korie (right) "so smart."

The married couple of 21 years have five children.
